Customer understands and acknowledges that countertops and backsplashes can have pre-existing conditions such as but not limited to weak areas, cracks, fractures, and abnormalities that may be hidden and or exposed when performing services. Fasteners and or adhesive mastics may be hidden and or prevent detaching or removal without causing damage. Penetrations and cut outs for various building materials, fixtures, and or appliances may cause weak or vulnerable areas that may sustain damage when performing services. Customer understands and acknowledges that secondary damage may occur to all surrounding and or adjoining building materials or objects.

Covenant shall not be responsible for damage to any countertops, backsplashes and or any adjoining building materials when providing services (detach, removal, transporting, storage and or installation) related to countertops and backsplashes.

Customer agrees to indemnify and release any and all liabilities of Covenant Restorations, INC when performing services related to this "Countertop & Backsplash Waiver."
